📍 Mandalay, Myanmar 🔗 github.com/kokoang579

PROFILE

5th-year Information Technology student at the University of Computer Studies, Mandalay (UCSM), passionate about software engineering, mobile application development, full-stack web development, and database systems. Seeking a Software Developer Internship to leverage technical skills in front-end and back-end development—including **PHP** and database management—to contribute to real-world projects and grow as a professional developer.

TECHNICAL SKILLS

Programming	Python, Java, C, JavaScript, PHP
Web Development	HTML, CSS, PHP (Backend Development & REST APIs)
Mobile Development	Flutter, Android
Database & SQL	MySQL, Oracle Database, DBMS, SQL
Developer Tools	Visual Studio Code, Android Studio, Git, GitHub

EDUCATION

Bachelor's Degree in Information Technology	2022 – Present
University of Computer Studies, Mandalay (UCSM) — 5th Year, Semester 1 GPA: 3.4 / 4.0	
• Matriculation: 430 marks with Distinction in Mathematics	

PROJECTS

Online Library System	Academic Team Project
- Developed a digital library platform for catalog searching, borrowing, and managing books and resources. - Structured relational database schemas (MySQL) and developed backend logic/APIs using PHP for catalog search, user authentication, and admin dashboard features. - Participated in database design, PHP backend API implementation, and front-end integration.	
UCSM Campus Navigation & Info Systems	Academic Team Project
- Developed an interactive campus navigation and information system for students, staff, and visitors. - Designed user-friendly UI/UX and integrated location-based information services. - Participated in requirement analysis, core logic implementation, testing, and agile team collaboration.	

LEADERSHIP & EXTRACURRICULAR EXPERIENCE

University Mobile eSports Competition	Organizer
- Coordinated tournament schedules, team registrations, match arrangements, and overall event activities. - Managed communication with participating teams and supported smooth real-time match operations. - Worked with the organizing team to resolve operational issues and maintain the competition timeline.	

KEY COMPETENCIES & LANGUAGES

Competencies	Problem Solving (Algorithms & Mathematical Logic), Fast Learner, Collaboration & Version Control (Git/GitHub), Event Coordination
Languages	Myanmar (Native), English (Intermediate)
